**AUTISM INCLUSIVE PTY LTD - LEADING THE WAY IN EARLY CHILDHOOD  
SUPPORT FOR AUTISM**

**Unlock Your Child's Potential with Autism Inclusive's Occupational Therapy Services.**

At Autism Inclusive, we specialise in providing tailored Occupational Therapy (OT) services for young children with Autism. Our experienced therapists work closely with families to support the unique needs of each child, helping them develop essential skills for daily life, school, and beyond.

## **Our OT Services Focus On:**

- Preparing and planning for transitions to school;
- Building Teacher confidence to support your child to thrive in their early learning environment;
- Coaching / mentoring to support behaviour at home/school/childcare;
- Sensory Processing - Helping your child regulate and respond to sensory input, reducing overwhelm and enhancing comfort;
- Self-Care Skills - Building independence with everyday tasks like dressing, feeding, and hygiene;
- Social & Emotional Development - Supporting emotional regulation and social interaction skills to foster positive relationships;
- Fine & Gross Motor Skills - Enhancing your child's ability to move, play, and explore their environment; and
- Play Skills Development- Enhancing your child's ability to learn new skills through play.

## **Why Choose Autism Inclusive?**

- Empowering Children - Supporting Families;
- Personalized therapy plans based on your child's strengths and challenges;
- Family-centred approach with active parent involvement;
- Coaching and mentoring to support integration of therapy goals into home routines;
- Skilled and compassionate therapists experienced in Autism and early intervention;
- Evidence-based practices designed to empower children to thrive; and
- We link our therapy goals into education goals, so your child is working on skills all day.
